## McClellan Wins Amendment to Kennedy Bill

By JOE HALL

WASHINGTON (AP)—The 47-40 victory in adding a major provision to the Kennedy labor bill stretched today, the drive of senators seeking further restriction on the power of union leaders.

By the one vote margin, the Senate wrote into the bill a requirement that union constitutions and by-laws must contain a series of provisions designed to assure the rights of individual members. It sets up criminal penalties for any union leader violating those rights.

The Senate takes up today an amendment by Sen. Barry Goldwater (R-Ariz.) designed to assure that such labor groups as Teamsters union conferences are covered by provisions of the bill.

The amendment adopted Wednesday was sponsored by Sen. John L. McClellan (D-Ark.) who called it a bill of rights for labor. Among other things it would guarantee union members freedom of speech and equal voting rights, and require membership approval of any dues increase.

The vote on the amendment was 47-40. Sen. John F. Kennedy (D-Mass.) who has argued from the start that any major floor change in his measure would endanger its chances of getting through Congress.

Kennedy said the amendment was poorly drawn and would mean "the federal government's reaching its hands into the internal affairs of unions in a completely unnecessary way."

But McClellan insisted his amendment would give needed protection to union members against thugs, racketeers and power-hungry leaders who, he said, were infiltrating more and more unions.

## Dulles to Serve as Consultant on Foreign Aid

WASHINGTON (AP)—President Eisenhower designated John Foster Dulles as a special consultant on foreign policy today and attended a swearing-in ceremony in Dulles' hospital room.

The cancer-stricken former secretary of state was up and dressed in white suit, blue shirt and blue necktie for the occasion.

Eisenhower read a special statement. In turn, Dulles read a little statement of his own, praising his successor in the State Department, Christian A. Herter, and expressing gratitude to Eisenhower for the new appointment.

Your willingness to continue to contribute your abundant talent and unique experience to the service of the United States and the free world is but one more example of your magnificent spirit and devotion to the nation's welfare," Eisenhower said.

How active Dulles will be is problematical. His doctors would not permit more than a few associates and family members to visit him. He will be in the hospital at Walter Reed Army Hospital.

But Eisenhower keeps in touch with Dulles regularly by telephone. The designation of the former Cabinet member to a consultative post should be at least a morale booster.

Technically, Dulles becomes a member of the White House staff. James C. Hagerty, the President's press secretary, said Dulles will have Cabinet rank and will be paid \$20,000 a year, \$5,000 less than as secretary of state.

The swearing-in ceremony was in the suite Eisenhower himself had occupied at the time of a major intestinal operation in 1956.

Looking on at the ceremony were Vice President Richard M. Nixon; Heiler, Mrs. Dulles; Allen W. Dulles, a brother and head of the Central Intelligence Agency; and C. Douglas Dillon, undersecretary of state for economic affairs.

The banquet has been planned for some time, since the governor earlier in the year had promised his attendance, but the date was left open to fit the chief executives' schedule. A letter from his office this week confirmed the May 7th date. The banquet will be held in the Washington school gym beginning at 6:30 p. m.

Guest list is being held to 200 due to limited facilities, and Mrs. Haynes said that approximately 50 have already promised attendance. Tickets to the governor's banquet will be \$25, but the charge will be in the nature of a donation to Pioneer Washington, a non-profit corporation, and the amount is fully tax-deductible to the donor.

Washington has already commenced its rebuilding program of the town's historic spots, and proceeds from this banquet, which will be 100% of the amount received, will go to the Washington Restoration Foundation.

A portion of the funds received will be used to complete the restoration of the Block-Clark House, donated to the foundation in 1956 by its owners, Mr. and Mrs. E. C. Catts, of Atlanta, Ga. This house, when restored, will be used as the headquarters building for the foundation. The remainder will go toward the fund already underway to rebuild the tavern, so well known in the history of the area.

All persons who are interested in the objectives of Washington Restoration Foundation are invited to call or write for reservations to the governor's banquet. Reservations should be made to J. M. Haynes, treasurer, Washington Community Club, Washington, Arkansas.

Keith Rineheart, son of Mr. and Mrs. Edward Rineheart of Hope was elected Junior Director of the Board of Directors of the Animal Industry Club at the University of Arkansas.

At Ouachita College, Arkadelphia the Baptist Student Union recently elected four officers and Marjorie Bowden, daughter of Mr. and Mrs. J. T. Bowden of Hope, was named publications chairman.

Arkansas State Police report for March show a total of 410 wrecks on highways with 29 deaths resulting.

Hempstead had five wrecks as did Nevada County and Howard had four with no fatalities. Lafayette County reported four wrecks with one death resulting.

The 5th annual Junior Red Cross Rodeo will be held Sunday, April 26 at the Edge O' Texas Ranch in Texarkana and young folks of Hope between the ages of 12 and 18 are invited to participate.

Entry blanks can be obtained from Scrub Mosier of the Arkansas State Police and must be turned in by Friday, April 24. There are eight events, including flag race, barrel race, roping, etc.

## Highway Department Appeals Judgment

LITTLE ROCK (AP)—The state Highway Department yesterday appealed the \$54,000 Mississippi County land condemnation judgment to the Arkansas Supreme Court.

Mississippi Circuit Court made the award to Jefferson Speck, former Republican candidate for governor, and his wife, after Speck refused the Highway Department's offer of \$12,050 for 28 acres of rice land.

A segment of Interstate Route 55 will be built on Speck's property.

The case-stricken former secretary of state was up and dressed in white suit, blue shirt and blue necktie for the occasion.

## Explosion Kills Two, Five Hurt in Kansas City

KANSAS CITY, Kan. (AP)—An explosion leveled a block-long, one-story building of the Thompson-Hawthorne Chemical Co. plant today.

Two men were missing and presumed dead. At least five others were injured.

The explosion occurred in a tank containing 3,000 gallons of a flammable liquid. The resulting spectacular blast on a high hilltop five miles southwest of the Kansas City, Mo., business district, was visible over most of the city.

For a time the fire threatened to spread to half a dozen other tanks, but after 2 1/2 hours firemen reported the fire was "contained," but would have to burn itself out.

The blast came just before the change of shifts. Robert Thompson, president of the company, said there normally would be five men at work in the building at the time.

Thompson identified the missing as Jim Lewis and a man he could identify only as "Evans." He doubted they could have survived the blast.

Cause of the explosion was not determined immediately.

For a time the downtown area was covered by a cloud of dense smoke carried by a strong wind. The plant was located just across the Missouri-Kansas state line.

KANSAS CITY, Kan. (AP)—A chemical tank containing a wood killer exploded at the Thompson-Hawthorne Chemical Co. plant early today.

Two men were missing and presumed to be dead. Three others were injured.

The explosion occurred just before the change of shifts. Robert Thompson, president of the company, said there were five men at work on the night shift when the blast occurred. He said three had been on duty.

Thompson said the explosion was caused by a gas leak. The cause of the explosion was not determined immediately.

## FBI Alerts Other Officers of Plot to Kill Castro

NEW YORK (AP)—New York police, the FBI and other agencies were alerted today to what was termed a plot by hired killers to assassinate Cuban Prime Minister Fidel Castro.

Castro has been in New York since Tuesday and is due to go to Boston Saturday. Hundreds of officers have been guarding him, and more were quickly assigned to the task.

Police said Castro aides had notified them of the alleged plot early today and said it involved two groups totaling seven men, none of them Cubans.

One of these groups was described as two brothers, between 20 and 35 years old, originally from Philadelphia, but now Chicago residents. The other was said to consist of two men, also brothers.

The five brothers in the former group, it was said, all have police records in Philadelphia for minor offenses such as disorderly conduct and assault. It was reported that they might be riding in a 1957 black Chevrolet with a white top and bearing Florida license plates.

The second party of two brothers was said to be traveling in a dark gray Cadillac with Michigan plates. One of them reportedly is called "Doc."

An alert went to all police commands in the city stating in essence that the two groups had been paid to assassinate the Cuban revolutionary leader. It also was said that the two sets of brothers have no direct association, but that the plot probably stemmed from the same source.

A police official said it was not known where any of the alleged would-be assassins are supposed to be, but the report was that they would seize the first opportunity to try to kill Castro.

Port of New York Authority officials were notified to watch for one of both sets approaching the city by way of the Port Authority's bridges and tunnels.

## Ike Determined to Send NATO More Missiles

By JACK BELL

WASHINGTON (AP)—President Eisenhower was reported today to have determined to increase the flow of missiles to NATO nations despite some strong Republican opposition.

He is understood to have told GOP leaders at a White House meeting Wednesday he is asking his foreign aid advisers to come up with more ammunition to support his proposals along that line.

A stop in missiles and jet aircraft to European allies already has been recommended by the advisers, headed by William H. Draper, New York investment banker. It called for a 400-million-dollar boost.

The advisory group also suggested a billion-dollar boost by July 1961 in funds for loans to underdeveloped nations. Some Republican leaders engaged in a budget-balancing battle with the Democrats in Congress oppose the increase.

The Draper plan would not affect materially the \$7.7-billion dollar budget Eisenhower has submitted for the year starting July 1, since the spending involved is a year or two away.

But the submission of the plan would be a blow to the argument of Sen. Styles Bridges of New Hampshire, chairman of the Senate GOP Policy Committee, and other Republicans that the Democrats are trying to "put over" programs that cost little at first but would entail vast future spending.

Eisenhower has contended in private conferences that unless steps are taken to arm U.S. allies adequately, additional billions will have to be poured into this country's defenses.

## Court Ruling Favors Negro Bus Passengers

NEW ORLEANS (AP) — Under a decision by the U. S. Fifth Circuit Court of Appeals, a bus line must exercise care to avoid danger to passengers in segregated areas.

The appellate court yesterday ruled in favor of a Negro man and his wife who were assaulted while traveling on a bus in Florida.

The couple, Grover C. Bullock and his wife, parlayed of Jimmie Lee, a white man, who had asked \$500,000 in damages from Tamiami Trail Tours, Inc., claiming he was beaten and his wife slapped by a white man after they had seated themselves in the forward section of the bus.

The appellate court, reversing Federal District Court of Northern Florida, which had denied damages, ordered the Florida court to enter a judgment in favor of the couple along with reasonable damages.

The incident occurred at Perry, Fla.

The suit claimed the plaintiffs

been hospitalized. Jim Lewis and a man he could identify only as "Evans" were missing, Thompson said, and he doubted they could have survived the blast.

Cause of the explosion was not known immediately. The fire was raging out of control and firemen were attempting to prevent its spread to other facilities of the company.

The blast levelled a blocklong concrete building and toppled a tall smoke stack. At least seven chemical tanks were destroyed and another half dozen were threatened.

Windows were shattered in a nearby flour mill, but this facility evidently was not in danger from the fire.

Firemen were concentrating on pouring water on the tanks not yet

were not familiar with segregation practices.

In his opinion, Judge Richard T. Rives wrote, "we think the District Court was clearly erroneous in holding that Tamiami could not have reasonably anticipated or foreseen the danger to the Bullocks in time to have at least warned them of its imminence."

The opinion added that Mrs. Bullock, although a Negro, appeared to be well and of reasonable man familiar with local customs, could have anticipated the violence that might result from a Negro man and a seemingly white woman riding together.

## News Briefs

JONESBORO, Ark. (AP) — An escapee from the Negro Boys Industrial School at Wilkesville was arrested here last night. He is Benny Gay, 18, whose home is in Jonesboro.

Gay and another inmate, Fred McKinley, 17, of Little Rock, fled from the school Monday night. McKinley is still at large.

Officers said Gay would be returned to the school site of a 21 inmate dormitory fire which killed 21 inmates March 6.

JONESBORO, Ark. (AP) — Arkansas State College has added a ninth opponent to its 1959 football schedule. The Indians will meet Central Missouri State College of Warrensburg, Mo., here next Nov. 21. Remainder of the Arkansas State schedule had been announced previously.

ROME (AP) — Bus and street car drivers struck today and threw Rome's normal morning rush hour into snail-paced chaos. The 24-hour walkout supported a demand for higher wages. It was one of a series, but the first scheduled to last a full day.

The transit workers threatened another 24-hour strike for Sunday.

VATICAN CITY (AP) — British Queen Mother Elizabeth and Princess Margaret called on Pope John XXIII today for a 35-minute audience which some British Protestants criticized in advance. It was the queen mother's first meeting with a pope since her second wedding with a supreme ruler of the Roman Catholic Church. The princess had an audience 10 years ago with the late Pope Pius XII.

A thousand British children, priests and sightseers cheered the royal party as it passed through the Vatican's Clementine Hall en route to the papal apartments.

BONN, Germany (AP) — Herbert Blankenhorn, for many years Chancellor Konrad Adenauer's personal diplomatic troubleshooter, was convicted today of slandering a lesser official.

A Bonn court gave him a suspended prison sentence of four months and ordered him to contribute 3,000 marks (\$714) to the German Red Cross.

Walter Hallstein, president of the European Common Market Commission, was acquitted of the same charges.

Blankenhorn now is West German ambassador to France. The cabinet will discuss the case Thursday.

The accusations were filed by Hans Strack, a longtime official in the West German Economics Ministry. He claimed that Blankenhorn and Hallstein in 1952 forced his dismissal by reporting an unconfirmed statement that he had accepted a bribe of \$50,000 for getting a government contract from an Egyptian firm.

## Convicts Hold 15 Hostage for 4 Hours

By TOM HORGAN

CONCORD, Mass. (AP) — Five desperate inmates of the Concord Reformatory held 15 hostages for four hours Wednesday night until a wave of state troopers ended their bid for freedom with tear gas and acetylene torches.

One of the inmates, identified as kidnaper Charles "Bull" Martin, 30, held a smuggled gun to the head of a hostage while demanding "We want out."

Conviction Commissioner George McLaughlin said Martin mistakenly thought he could make it out of there through the front door with the revolver and hostages.

"This was an escape attempt, pure and simple," said Edward S. Grennan, superintendent of the reformatory, which once housed only youthful offenders but now is used for long term adult prisoners.

Grennan said the leaders of the revolt called him twice by telephone from a temporary stronghold demanding to get out.

Instead, Grennan called in State Police to storm the wing where the rebels were holding the hostages.

Grennan said that in addition to Martin, the convicts who caused the wild disturbance were Thomas P. Carlinio, 28, kidnaper; Charles Woods, 31, burglar; James Park, 23, robber; and Peter Makarewicz, 20, who five years ago killed a 15-year-old girl in his town of Norwood.

Authorities said that about 50 other prisoners milled about during the revolt, some of whom were held in their cells during the uprising but took no active part in it.

The five inmates held the hostages—13 guards and two civilians—for four hours before surrendering meekly, their eyes swollen by tear gas.

Their chances of getting out from the start were nil. Lt. Col. John C. Blake, executive officer of the state police, heading an assault force of 125 troopers, said when asked if negotiations were considered.

"I never negotiate with anyone, we were here to get them out and restore order."

The troopers drove the malcontents from the first to third floor of a wing of the prison, like soldiers assaulting pill boxes. They opened steel doors with acetylene torches and finally pushed the rebels into an area from which there could be neither escape nor retreat.

Survivors were accepted only after the prisoners stripped naked. Then they were marched to secure quarters.

A pistol, with which Martin snatched the hostages and marched them to the segregation section, was not immediately found.

Guard Frederick Bolba, one of the hostages, said Martin held the gun against him and pulled the trigger. "It looked to me like this end, but the gun failed to go off," Bolba said.

The reformatory once was used for youthful offenders, but several years ago its use was turned over to hardened adult criminals, including murderers. It is 18 miles from Boston.

The revolt came during a recreation period between 4 and 5 p.m., while some of the prisoners were playing baseball.

It was then Martin, with his pistol, herded the hostages into a cell and locked the door. He threatened to kill all if an attempt were made to capture him. One hostage shouted out a window that a rescue attempt should not be made because a gun was at his back, and he would be killed.

## Brooks Hays Appointed to TVA Position

WASHINGTON (AP) — President Eisenhower yesterday selected Brooks Hays, former Arkansas congressman, to fill a vacancy on the board of directors of the Tennessee Valley Authority.

Hays immediately said he would accept the \$20,000 a year post. White House sources said he had not applied for the job.

Hays, 61, will replace Frank J. Welch, who resigned recently. His term expires May 10, 1960.

"I will be glad to undertake the assignment which the president has asked me to take," Hays said. "I will bring me in close proximity with my home state."

Hays, Democrat, served eight terms in the House before he was defeated last fall by Dr. Dale A. Lord, a staunch segregationist. Recently he has been devoting his time to church work as president of the Southern Baptist Convention.

The Chattanooga Times predicted Hays' appointment "Tuesday night. The newspaper called Hays a 'friend and supporter of TVA.'"

Hays has generally supported TVA proposals. White House Press Secretary James Hargety said Hays' nomination would go to the Senate for confirmation soon.

Sens. J. W. Fulbright (D Ark.) said he was "pleased at the selection." Hays' experience in the development of the Arkansas River program will be "extremely helpful to him," he said. "I am confident he will do an outstanding job."

Sens. Albert Gore and Estes Kefauver, Tennessee Democrats and representatives of the area most directly affected by TVA, said they did not know in advance of the appointment and had no specific objections to it.

## Highway Asks Bids on Bypass

LITTLE ROCK (AP) — The Arkansas Highway Commission yesterday asked for bids on the interstate highway bypass around the south of Little Rock. The bids will be opened May 13 as part of a near record letting set for that date.

The work is divided into three jobs for bidding purposes. Overall cost was estimated at \$3,600,000.

It will total 5.57 miles of four lane concrete from a point south of the Bidde Shop, near the southeastern edge of Little Rock, to present U. S. Highway 67-70 near where Chicot Road enters the city.

The work will be a continuation of Interstate Route 30, through the Little Rock area, on interstate construction. The federal government pays 90 per cent of the cost.

## Communism to Gobble Iraq, Many Believe

By JOHN M. HIGHTOWER

WASHINGTON (AP) — Many U.S. officials have about given up hope that the revolutionary government of Iraq can resist Soviet Communist domination.

There is growing fear here that Iraq will soon become a hidden satellite of the Kremlin if it has not done so already.

Since the Iraqi revolution last July, a Premier, Abdel Karim Kassam, has become increasingly dependent on, or allied with, Communist support.

British and U.S. leaders are reported close to agreement that Kassam has probably gone beyond the point of no return.

The United States policy for dealing with this situation is one of waiting to see what happens. Officials interviewed privately say in effect, "What can any outsider do?"

Authorities are convinced that Egypt's President Nasser, whose goal is to become leader of the whole Arab world, has been behind a couple of attempts to stage some kind of anti-Communist bid for power in Iraq. But he has gotten nowhere.

As between Nasser and Kassam, the United States remains neutral, officials say. Nasser is still not regarded here as a dependable friend.

The concept of Iraq as a "hidden satellite" comes from government experts who believe that Moscow prefers to move into the strategic oil rich area in stages rather than in one great advance.

By this theory the first stage was to break the power of the Western nations in the Middle East. This stage reached a climax with the assassination of King Faisal and other pro-U.S. Iraqi leaders last July 14.

The second phase would be to gain indirect control of a Middle Eastern government as in Iraq. The third phase would see the establishment of a land bridge. That could only mean trouble of the gravest kind involving the Soviet Union, Iran, Iraq and probably Turkey.

Since both Iran and Turkey are in the Middle East defense alliance and Turkey is a member also of NATO, any such trouble probably would involve the great powers on both sides.

## TELEPHONE TALK

By Vance Smiley, Wire Chief, Hope, Ark.

## Green Up Time

This may be a dialect of a lost generation, but I don't think Hope has ever gotten greener any quicker than this year. Although cold weather is still holding on, it is the time of year that most people are digging flower beds and if that is true with you and you are digging around the foundation of your house, be sure to look for your telephone ground wire that may extend to a rod driven a few inches away from your outside wall. These wires are for the protection and operation of your telephone and usually have a small weather-proof top on the wire a few inches above the ground. If you accidentally break or cut one of these wires, be sure to call us at once. It may keep you from missing any calls.

Thank You

## Spring-A-Ling! — It's Kitchen Telephone Time

I guess you might say that spring and color just go together. Spring is also a time for housecleaning and remodeling — at least at our house.

Whether it's housecleaning or remodeling — or both — why not add the extra touch of color, like a friend of mine did recently?

His wife was having a new counter top installed in the kitchen. She called him at work and told him what a professional job the carpenter was doing.

Flirting that he wouldn't let the carpenter steal his thunder, my friend thought a while then called the telephone company and ordered a white wall phone for the kitchen.

When he made the big announcement at dinner that night, he admitted he was worried about his choice of color.

"But white goes best with the new counter-top," his wife said, "just what I needed to perk up the kitchen even more."

The moral of this story: If you want to be a hero, add the extra touch of color by ordering a kitchen telephone for your wife.

A kitchen telephone in color will brighten up the room where she spends a lot of her time, help her get more things done faster, and let her chat with friends between chores.

Miss Out-of-Town Friends? •

Why wait for a birthday or an anniversary? The easy, personal way to keep in touch with out-of-town friends is to call them — just to chat.

Pick up the phone tonight and have fun talking to those old friends. Rates are lower after 6 p. m., and all day Sunday.

Call by number. It's twice as fast.

## EDSEL INVADERS

## LOW-PRICE FIELD!

Edsel Ranger's new, low price wins immediate acceptance. A big, new car has invaded the low-price field—Edsel—the only 1959 car that's actually come down in price. But Edsel has cut price without compromising quality or performance, without reducing usable space and comfort. In everything but the figure on the price tag, Edsel is a true medium-priced car. And Edsel's two, husky V-8 engines and the Economy Six run best on regular gas. See and drive the wonderful new 1959 Edsel.

Mr. and Mrs. Garrett Story, Jr. and family of Shreveport spent the weekend with Mr. and Mrs. Garrett Story, Sr.

Mr. and Mrs. Roy Thornton had as their Wednesday dinner guest, Mr. Tony J. Vaughn of Richland, Washington, Mrs. Mary E. Vaughn,

Mrs. E. P. O'Neal, child welfare chairman, presented an interesting program. Not only did she discuss the topic of which she is chairman, but she also gave interesting information about the organization's scholarship program for deserving students.

A report on the Spring Conference, held in Texarkana last week, was given by Mrs. Cecil Weaver, Mrs. M. M. McCloughan, Mrs. W. H. Gunter, and Mrs. Leon Bundy. Mrs. Weaver, who is president of the local auxiliary, was elected president of the 12th district at the meeting. This auxiliary received a five star citation for their achievements, also.

It was announced that Poppy Day would be on May 23 this year. Beautiful iris filled the McCloughan home where ice cream and cake were served during the social hour.

**Hospital Notes**  
Branch Admitted, Mrs. A. G. Kidd, 11.

**Medical costs down 15% since 1940**

Since 1940, prices of most commodities and services have more than doubled. But, in terms of what a dollar buys today... medical care has dropped 15%. That's because medical discoveries have shortened hospital stays and cut weeks off convalescence.

## Burdette Seems to Have Found 'At em' Ball

By ED WILKS  
Associated Press Sports Writer

Low Burdette has found his "at em" ball again. He mislaid it when he was unhooked as a Yankee killer last October.

It was the "at em" pitch—the pitch that made it easy on the fielders because batters hit it right at them—that the big right-hander credited when he won three from the New York Yankees at Milwaukee won the 1957 World Series. He still had it last season, when he became a 20-game winner for the first time.

Then he lost in last fall's World Series, twice taking his lumps when the Yankees staged a startling comeback by winning the last three games.

This season, Burdette has picked up where he left off last year and so have the Braves. Once more, having the National League, Burdette put them in a game in front Wednesday night, giving up eight hits but outdueling Robin Roberts, who allowed only four, for a 2-0 victory.

Los Angeles fell out of a virtual tie for first as San Francisco ended the Dodgers' winning string at four 6-3. Pittsburgh came from behind twice and beat Cincinnati 9-8. That sprang the Bucs from the cellar and the St. Louis Cardinals dropped in, despite an 8-2 victory over the Chicago Cubs, since the American League, the New York Yankees beat Washington 10-1 in 14 innings behind Whitey Ford. Cleveland retained a two game lead, however, by clubbing Detroit 10-1. Chicago's White Sox romped 20-6 at Kansas City. Boston beat Baltimore 8-4.

The Braves were held hitless by Roberts (41) until the seventh when consecutive singles by Wes Covington, Frank Torre and Del Crandall, who lined one off Robin's leg, broke the shutout duel.

The Giants dropped the Dodgers with a five-run fifth against losing starter Carl Erskine (0-1). A walk, four singles and Orlando Cepeda's double did the damage. Jack Sanford (2-1) won it.

The Pirates, blanked on two hits for six innings by Joe Nuxhall, tied it in a seven-run seventh capped by Bill Virden's three-run homer. Then, after Gus Bell gave the Reds a new lead with a solo homer in the eighth, the Bucs put it away against losing reliever, Orlando Pena in the ninth, on a bases-loaded walk and Rocky Nelson's single. Elroy Face (1-0) won it in relief.

Wilmer (Vincgar Bend) Mizell gave up five hits and won his second with a third consecutive

## Ford, Yankees Take Victory in 14 Innings

By ED WILKS  
Associated Press Sports Writer

Skowronn Whitey Ford won 14 innings for the first time in his major league career Wednesday night and beat the Senators 1-0.

He proved there was nothing much wrong with the arm that rendered him virtually ineffective during the last month and a half of the 1958 season.

He struck out 15 and gave up only seven hits in a shutout duel with Bill Fischer and Chuck Stobbs. It wasn't broken up until Bill Skowronn rapped his third home run of the season with two out in the 14th.

That left the Yanks two games behind the clubbing Cleveland Indians, who again battered Detroit, 10-1. The Chicago White Sox stayed third, smothering Kansas City 20-6. Boston beat Baltimore 8-4.

In the National League, first-place Milwaukee beat Philadelphia 2-0. San Francisco ended Los Angeles' winning streak at four. St. Louis defeated the Chicago Cubs 8-2, and Pittsburgh escaped the cellar by beating Cincinnati 9-8.

Ford, 30, walked seven, but gave out only the 14th. Then, after Skowronn had ended Stobbs' hitless record, Ford was touched for two hits before putting away his 14th victory over the Senators in 14 decisions going back to 1954.

Young Gary Bell (2-0) breezed in with a seven-hitter for the Indians, who have rapped Detroit pitching for 24 runs and 31 hits in two days. Jimmy Piersall drove in the first four runs, off loser Frank Lary (0-2), with a bases-loaded single in the third and a two-run homer in the fifth.

Rocky Colavita added a three-run blast and rookie Gene Leek, playing his first major-league game, socked a two-run homer.

The White Sox hustled from behind after the A's had chased Early Wynn with five runs in the second inning. They made it a rout

# Faubus Fires Blast Against Negro Group

LITTLE ROCK (AP) — Gov. Orval Faubus charged today that the "National Association for the Advancement of Colored People" and the federal government were trying to pick off Southern states one by one in an integration offensive.

Faubus said they were not likely to push their efforts in several states at the same time.

He made the statement as a follow-up of a speech at Elaine last night.

The governor told an Elaine Chamber of Commerce dinner meeting that "if two or three other governors would stand up for states rights and not worry about their own future, we could have returned to constitutional government instead of government by decree."

Faubus said at a news conference today that if the federal government ran into a "Little Rock" integration crisis in other Southern states it would have to occupy the South.

"I don't think they would do that," the governor said.

Federal troops enforced court-ordered integration at Little Rock Central High school during the 1957-58 term after Faubus blocked the entry of nine Negro students with a cordon of state guardsmen.

Faubus said he expected the NAACP and the federal government to avoid the situation that occurred in Little Rock "if they can in order to pick us off one by one."

Asked what he expected other Southern states to do, Faubus said "if the states would decline to use state forces to do the dirty work of the federal government they (the government) would have to do it themselves and I don't think they would do it."

He singled out Mississippi, Louisiana, Alabama, Georgia, and South Carolina as states which "feel stronger about this question than we do here in Arkansas."

Faubus declined comment on a speech at Memphis last night in which Associate Justice Jim Johnson of the Arkansas Supreme Court said the governor could be president if he ran.

In his Elaine speech, Faubus said the battle for states rights and constitutional government could not be won.

# Bell Told to Justify a Rate Boost

LITTLE ROCK (AP) — The Arkansas Public Service Commission today ordered Southwestern Bell Telephone Co. to justify its Arkansas rate schedule.

PSC Chairman Lewis Robinson said the company may be ordered to reduce rates by an estimated three million dollars a year as a result of the "show cause" order.

Bell recently requested a slight upward adjustment in rates to absorb a wage increase given employees this year.

Robinson said a report from the Federal Communications Commission showed that Southwestern Bell earned 7.7 per cent system-wide on its investment in 1958.

Arkansas apparently topped the five states Southwestern serves as a revenue producer, the chairman added.

He said there was a possibility of a return of more than 8 per cent in Arkansas.

Six per cent customarily is considered a fair return for utilities.

The commission order directed the utility to show cause why its rates should not be reduced. The order said the commission had concluded that 1958 earnings were excessive.

Robinson said the action was taken on the commissions own initiative.

He predicted that a "full-dress" investigation would result.

Robinson said the commission had employed rate expert Arnold Hirsch of Washington, D. C. to assist it. Hirsch will receive a fee of \$12,000 plus expenses. The contract has been approved by Gov. Orval B. Faubus, as required by law.

Southwestern Bell has been granted increases totaling more than seven million dollars in three years since 1948.

# L. R. Woman Trying to Find Sister

LITTLE ROCK (AP) — A Little Rock woman is trying to locate a sister whom she has not seen since the two were separated by adoption more than a quarter of a century ago.

Mrs. Roy Holmes, living on the Kanis Road, west of the city, said that in 1933 she was adopted by Mr. and Mrs. Joseph R. Gardner of Little Rock. Born Jessie Bailey, she was given the name of Sally by her foster parents.

At about the same time, Mr. and Mrs. Emmitt Williams, then living at Glassville, Ark., adopted an older sister, Ruby, and gave her the name of Helen Mary.

Mrs. Holmes said that she had been unable to locate either the Williams family or her sister, who now would be about 34.

The sisters' natural parents, Mr. and Mrs. Frank Bailey, formerly lived in Randolph County.

Saline county was called "Providence of Saline" by DeSoto in 1542. The first recorded settlement in the county was at what is now Benton in 1818.

U.S. District Judge John B. Miller imposed the sentences.

Miller sentenced Bobby Ray Phillips, 21, to two years on one count of embezzlement and two years on a second count, with the sentences to run concurrently.

They were indicted by a federal grand jury in connection with the disappearance of \$989 in cash and \$1,475 in checks from the Arkansas National Bank. The jury also indicted the Hot Springs bank in connection with the loss of \$560 from a teller's cage in the bank.

Both pleaded guilty. Last Nov. 17 Miss Foshee told police she was robbed of the \$989 and the checks while making her rounds as a bank messenger. Later

### Quick Okay of Herter Shows Unity

BY ERNEST B. VACCARO

WASHINGTON (AP)—Christian A. Herter's promotion as secretary of state was viewed in Congress today as a big boost for closer bipartisan cooperation on foreign policy at a critical time.

Herter's success nomination was quickly and unanimously confirmed by the Senate, formally taking office today at a White House ceremony.

Chairman J. William Fulbright (D-Ark) of the Senate Foreign Relations Committee said that he felt certain Herter "will cooperate closely with the Congress in every way."

The Senate demonstrated what it thinks of Herter when it gave him a rare 93-0 roll call vote of confirmation Tuesday. It acted only 24 hours after receiving his nomination from President Eisenhower, and only a few hours after the Foreign Relations Committee gave him a 17-0 endorsement.

As Sen. Lyndon B. Johnson (D-Tex), the Senate Majority leader, put it: "The Senate wanted Herter and the whole world to know we are united behind our secretary of state."

Eisenhower also was reported ready to make known his full backing of the 64-year-old New Englander in a move to scotch reports that Herter was a reluctant choice as his foreign policy chief.

The reports developed when Eisenhower delayed naming Herter for several days after announcing the resignation of John Foster Dulles.

Herter's associates were counting on Eisenhower to speak out publicly and forcefully to kill the whispers once and for all.

As a former representative from Massachusetts, Herter served in the House with many members still serving in that body or now sitting in the Senate.

Fulbright said Herter wants to talk with key members of Congress before he leaves Monday for a Paris meeting with other Western foreign ministers. That meeting will lay the groundwork for negotiations with the Soviets in Geneva May 11.

"He's a very cooperative fellow, and I think he will have a close relationship with Congress," Fulbright told reporters.

Sen. Albert Gore (D-Tenn) said the fact that the Foreign Relations Committee waived its rule providing for all nominations to lay over for six days was a key to his regard on Capitol Hill.

Both Gore and Sen. George D. Aiken (R-Vt) applauded the way Herter handled himself under searching questioning by Sen. Wayne Morse (D-Ore) on broad policy matters during the committee session.

### Bids Taken on Fire Alarm Systems

LITTLE ROCK (AP)—A north Little Rock firm was low bidder yesterday on two of three contracts for installing fire alarm systems for state institutions.

Fire Detection Service bid \$4,195 on a system for the Arkansas School for the Blind and \$1,360 on a system for the Negro Blind and Deaf School.

Spurling of Arkansas, Inc., of Fort Smith, was low with a \$3,919 bid for a system at the Arkansas Tuberculosis Sanatorium at Booneville.

outfit?"

Dawson nodded.

"Any business of yours?"

Furlong lit the fire. Not looking up, he said, "So that's why you hit Pardee over the head and took his \$1,600."

Furlong looked at him, observing that Dawson's eyes, bloodshot from lack of sleep, were sharply calculating. "They've accused me of doing it."

Dawson ran a hand over his beard-bristled cheek. "The money is for some Mex steers I brought into this country 10 years ago, and couldn't take out. Took a bullet, instead. Blame me?"

"Not any," Furlong said, and used his knife on a slab of bacon.

Dawson kept looking at him, a calculating, inquisitiveness in his hazel eyes. It got on Furlong's nerves, he said frankly. "I don't like to be gawked at before I've had my morning coffee."

Dawson grinned at him, "Just trying to rattle your breed, am I?"

Furlong nodded.

"How'd you like to run a four-man bunch against Empire?"

"Four men?" Furlong asked.

"You, me, Mace and Ike. We've all got the same idea."

"Like Rule is out of it," Furlong said, and told him why, and saw the visible effect of that news on Dawson's fatigue-drawn face. He remembered how it had been at Gillum's last night. Furlong said, "Mace played it real slick, making out like he thought it was me that robbed Pardee."

Hunger and lack of sleep had them both edgy. Placing the skillet on live coals he glanced at Dawson and reflected, "You look like I feel." Then he went to the reef and gave the surrounding country a thorough scrutiny.

"Any sign?" Dawson inquired.

Furlong said, "They're a long way off. They won't be near us while they ate a huge breakfast for three, four hours."

fast, Dawson said. "It's Mace's idea to whistle Empire down. He'll be by lunch and watch Pardee squirm. Mace says that's worse than killing him."

"Could be," Furlong agreed.

"You think of Mace?"

"Uncle on his mother's side,"

### New Process for Movies in Saenger Film

Dynamation, most imaginative of the many new and spectacular movie-making processes, is seen for the first time in Columbia Pictures' "The 7th Voyage of Sinbad." The Technicolor entertainment at the Saenger Theater Sunday and Monday.

Dynamation brings to vibrant life the magical fantasy of the enigmatic Arabian Nights stories and "The 7th Voyage of Sinbad," a joyous, exciting adventure into the mysterious world of man's imagination.

Before Dynamation was cleared as practical, Schneer and special effects expert Ray Harryhausen experimented with it for more than one year, filming thousands upon thousands of feet of color film in various tests until they finally achieved what they had been seeking.

Schneer describes Dynamation as a photographic process which combines a live background in color with a dimensional, animated figure in combination with flesh and bone actors.

Dynamation, as opposed to special effects or simple animation, means that the filmed process shots used for trick camera effects are finally able to be treated in color. In the former process, even an untutored eye could detect where an actor left off and a scale model in animation took over. In the new film process, only the most practiced eye can distinguish between the real and the make-believe.

Schneer, along with his technical experts, labored for five years planning and perfecting the Dynamation technique. To the layman, the word "animation" suggests drawing screen cartoons. But, in Dynamation, the animate and inanimate are combined with real people. For example, there is a sequence in "The 7th Voyage of Sinbad" where star "Keweenaw" Matthews, who plays Sinbad, is called upon to duel with a skeleton. Projected on a screen, it is an amazing sequence that can only thrill and mystify audiences.

The blue-backing system, combined with Dynamation, is the re-

### British Ballerina Released by Panama

PANAMA (AP)—Panama's government released a British ballerina, Margaret Forster, after holding her for 24 hours in a comfortable jail cell while police sought her Panamanian husband on revolutionary charges.

Informants said President Ernesto de la Guardia's government decided it would be more convenient to expel the famous dancer from the country and ordered her shipped off by plane early today.

Dame Margot was released from jail Tuesday night after three hours of questioning about the activities of her husband, Roberto Arias, former ambassador to Britain.

The 39-year-old ballerina denied knowing anything about anti-government activities, officials say. Arias, carried on during yachting trips, was captured last week on Panama's Pacific Coast.

Arias was a fugitive. The National Guard was believed hunting him around Santa Clara, 75 miles west of the capital, where officials claimed he brought a 10-man armed band ashore Sunday night.

### DOG GOES TOO FAR

DOUGLAS, Ark. (AP)—Douglas city dog catcher Eddie Price was on the arrangements committee for a banquet, so he was served early.

Price was called away for a minute. When he returned a stray dog had wandered into the banquet hall and was finishing off the last of Price's dinner.

verse of process photography. The performer in question crosses in front of a blue-backing with as many as 50 arc lamps and reacts — to nothing. In straight process photography, the actor watches what is being projected on the screen and he is able to react sufficiently to the image projected.

In Dynamation, the actor must use his imagination. He duels, makes love, lives, fights, projects his emotions as the director tells him. Then, and only then, does Dynamation make its appearance. Others appearing in the same scene, in the finished "Dynamated" version, go through the same acting procedure. And that's not skeletons dueling, believe it or not.

Torin Thatcher is featured in "The 7th Voyage of Sinbad" as the evil magician Kenneth Kolb who wrote the screen play of this fabulous entertainment. Ray Harryhausen created the unusual visual effects. A Morningside Production, "The 7th Voyage of Sinbad" was directed by Nathan Juran.

### Teacher Files Suit to Kill 2 State Acts

LITTLE ROCK, Ark. (AP)—A Negro school teacher yesterday launched a lawsuit to get two Arkansas laws which would strip citizenship from members of the National Association for the Advancement of Colored People from the public school system.

B. T. Shelton, an instructor at a Negro junior high school here, asked U. S. District Court to declare Act 10 of 1958 and Act 115 of 1959 unconstitutional.

Shelton said the laws would strip citizenship from school teachers who are members of the NAACP.

Shelton asked a speedy hearing before a three-judge federal court and for injunctions against enforcement of the acts.

The suit was filed two days before the Little Rock School Board is scheduled to meet to discuss teachers' contracts for next year.

Shelton said he was not a candidate for running unless the teacher has complied with Act 10. Shelton said he had refused to

### Teacher Files Suit to Kill 2 State Acts

LITTLE ROCK, Ark. (AP)—A Negro school teacher yesterday launched a lawsuit to get two Arkansas laws which would strip citizenship from members of the National Association for the Advancement of Colored People from the public school system.

B. T. Shelton, an instructor at a Negro junior high school here, asked U. S. District Court to declare Act 10 of 1958 and Act 115 of 1959 unconstitutional.

Shelton said the laws would strip citizenship from school teachers who are members of the NAACP.

Shelton asked a speedy hearing before a three-judge federal court and for injunctions against enforcement of the acts.

The suit was filed two days before the Little Rock School Board is scheduled to meet to discuss teachers' contracts for next year.
